INDUPULSE
Industrial touchscreen panel PCs

Model GB (16:9) | 15.6" Display - IPC-15GB
Product ID 1601889/3

Overview

The IPC-15GB Industrial Panel PC is a compact, durable, and high-performance solution tailored for process automation. Equipped with a **15.6-inch touchscreen**, it ensures seamless operation across a wide range of environments. Its aluminum front enclosure, **IP65**-rated protection against dust and water, and **fan-based cooling system** provide efficient heat dissipation and stable performance, even under demanding conditions. With a broad operating temperature range and **expandability** via a mini PCIe slot, the IPC-15GB offers exceptional flexibility, making it ideal for diverse applications and industrial requirements.
